**Mount Merrion/Kilmacud Social Justice Initiatives  
 Haiti Summer Projects**

The collections in Mount Merrion and Kilmacud during last May & June raised an incredible €9,269.82. The continued support from the parishes over the last three years for our work in Haiti has been truly humbling. It is not an exaggeration to say that without such support the Haiti project simply would not have happened in the last three years. Knowing how warmly and fondly Fr. Tony speaks of his parishioners I am not surprised by such generosity and support, but equally not for a second do I take it for granted and I am deeply appreciative always.

Your support allowed us to do the following in July 2018: 650 local primary school children, specially selected from the poorest zones of the towns within which we work, attended our Sports and Literacy Camps held in two different rural villages in Gros Morne, Haiti. While there they learned English, Maths, Geography, Science but equally as importantly played soccer, basketball, did Arts and crafts and Music and simply had a chance to live reality that all children should live, which is to receive love, affection and unending encouragement. Your support paid for all the resources and materials we used in this camp. It paid for the 26,000 meals we served to the children over the course of the project. It paid for the wages of the 82 Haitians we employed across the two camps. Simply incredible and I cannot thank you all enough.

I along with my fellow board members have looked to formalise the organization and have set up a charity called Solèy Haiti (solèy being the Haitian Creole for sunshine) and our mantra is that we are working towards a brighter future for Haiti. **To that end we will be holding collections for the 2019 projects on November 10<sup>th</sup> & 11<sup>th</sup> in Mount Merrion and 17<sup>th</sup> and 18<sup>th</sup> in Kilmacud and once again we ask for your support which is so crucial in allowing us to carry on our work. Equally we would like to invite applications from parishioners over the age of 18 who would like to spend the month of July volunteering on our projects in Haiti to email [soleyforhaiti@gmail.com](mailto:soleyforhaiti@gmail.com) for additional information.**

**Question 5: What role can lay people play in providing leadership in our parish and supporting our priests in their mission?**

*Archbishop Diarmuid Martin has asked all parishes to reflect on how we can renew faith in Jesus Christ in our parish and help pass that faith on to our young people. We want to hear the views of everyone - young and old. This is the final question in our series - see the display board at Our Lady's Altar if you missed any of the previous questions!*

**Responses welcomed via [kilmacudparishengagement@gmail.com](mailto:kilmacudparishengagement@gmail.com), our Facebook page or the answer boxes at the doors to the church. Parish Assembly to discuss feedback & plan for our future. Wednesday 14<sup>th</sup> Nov @ 7:30pm in the Parish Centre.**
