A huge **thank you** to everyone who bought our WWYC Christmas CD! With your help we raised AN AMAZING €9,000 !!!

O God, your creative love brought forth our world,
 Once a garden where humans could taste and see beauty and goodness.
 But our eyes do not always see the sacredness of Creation.

We do not always remember that it is Gift Given so that all humans may live and flourish.

Inattention can change the world.

Even mighty glaciers weep now.
 Lifestyles create pollution that blot out the sun.

The very skies above us are threatened.
 Seas rise and whole peoples lose their homes.

O God, we ask you to:

Call us to renewal and to stewardship.
 Call us to solidarity with the earth and all its creatures.

Give us new vision to see the fragile beauty that remains with us.

Give us new spiritual energy to become active in loving the world through our daily lives,

Give us new voices to speak out for environmental solidarity.

Bless us with a love of your Creation
 So that we may glimpse your Eden once again.
